

Yearbook Assignment- Earth Day *April 22*

Ms. T

Little Earthlings-- Follow Directions

ALIEN EARTH DAY MONTAGE—

Use Photoshop and/ or free open-source software to cut everything out and blend all elements together. Suggestions: *Picmonkey, Pizap, Fotoflexer, Ipiccy*

ISTE Standard 1 Creativity and innovation Students demonstrate creative thinking, construct knowledge, and develop innovative products and processes using technology.

ACOS-Technology: Students will use desktop publishing applications to create desktop publications as an extension to their assignment.

ISTE Standard 4 Critical thinking, problem solving, and decision making. Students use critical thinking skills to plan and conduct research, manage projects, solve problems, and make informed decisions using appropriate digital tools and resources

ALIEN EARTH DAY MONTAGE—

Part I... Alien Invasions-Individual Alien

Part... II Teacher Creature

Create an **EARTH DAY** Folder on your desktop

- *YOU ARE TURING YOURSELF INTO AN ALIEN....
- *Turning your assigned teacher “personality” into an Alien

1. Go to www.picmonkey.com
2. Upload one of your individual close up pictures.
3. Log in to the account.
4. ***Capture that GLOW!*** PAINT YOURSELF **GREEN**... Using WITCH aPP (Click on Pumpkin Icon from theme ruler)-- Choose Witches App-- Click on Coven Complexion to paint yourself GREEN--- Click Apply *
if it needs to be more intense, apply it a second or even third time *
5. Now ***BOOST*** yourself. Click on Magic Wand App-Choose Boost app. Click Apply. **Reduce or strengthen intensity as needed. *

6. **Create your Alien FACE-Click on Lipstick Icon**-Scroll down to Niptuck app... -- *Now manipulate your facial features to make yourself look “Alien-ish”.... Pull your head or slant your eyes, etc...*

 1. *Be sure to **Click Apply here and there as you manipulate your features...***
7. **EYES-** You can color your eyes two ways:

 1. **BASIC EYE COLOR**-If you just want a basic color. Click on Lipstick Icon. Choose Lip tint for just basic colors for eyes.
 2. **INTENSE EYES-** If you want more intense eyes- Click on Pumpkin Icon-choose *witch or demon app* for more interesting combinations or if you want more than one eye * Apply or clone another Eye if needed...
8. **Lips-** Click on Lipstick Icon.... Click on Lip tint... Choose a bright color for your lips (Apply) * Guys you may skip this step...
9. **At this point save save save your basic picture in your ED Folder.**
10. **HAIR...** If you want different hair *(Funky wigs), or if you just want to color your hair (skip to #12)... There are several options on Pizap. Upload your saved picture. Click on stickers and choose a wig from Pizap. You may turn it a color if you want to

 1. **However you may also re-color on PicMonkey if you want a more intense color... (See #11)**
11. **Save picture again** in your ED folder.
12. Recolor your Hair on Picmonkey if you desire a more intense color:

 1. Color Hair—Click on Lipstick. Click Liptint...Choose Blue, Green, or Red, Orange, Hot Pink, Purple, etc... Paint *hair or do high-lights*. Apply.
13. ***Backdrop*-Enhance Earthiness of pictures by a Textures or background elements.... Click on the square grid overlay icon(located right above snowflake). **Choose an overlay that signifies EARTHY ELEMENTS...** erase yourself out of it. ** -- Click Apply****

 1. Layer several Overlays to enhance earthy picture--*ERASE YOURSELF out each time**
 2. **SPACE CREATURES-** Click on the Butterfly app to add monster “stickers” ... Choose Critter App – Apply those space monsters if

you like them. If you DO NOT LIKE THESE MONSTERS... **Save your ED Pic again and go to #14.**

14. If you want more surreal creatures or some different Earth stickers-Go to www.pizap.com... Upload pic you just completed.
 1. Add the following stickers: * Earthy, elements such as* Add a Bugs/Flowers, butterflies, etc (where appropriate) from Photo Explosion
15. Save your picture again. Re-upload to Picmonkey to give it the finishing touches.
16. FINAL STEPS--SURREALNESS ELEMENT...At this point decide if you would like to BOOST your entire picture or add a HDR comic effect then do so. Both applications are under the magic wand theme app.
17. Enhance overall picture with
 1. Fog- (Click on Butterfly app)...(color fog if you want to) add or
 2. Sparkly Stars (Under Butterfly App) or
 3. Blokeh (under Magic Wand App)
18. Add A FRAME. Click on Frame Icon to **add a Frame—Color it appropriately to enhance overall Earth Day theme.**
19. Title this Picture. Save Final Picture. Re-Up load to Pizap. Click on Tect. Use Glow Text feature to add an ALIENISH name or quotation to your picture or use text options under Photo Explosion.
20. SAVE Final Pic as Your Name ED # 1Final

picture #2- Teacher Creature!

Now Create Teacher Creature! (*Follow same directions*)... **Save in your folder**
