1) Group Format:

- Create a review game using the template provided in this collection
- Split the class into groups of four
- Each group selects a captain (only the captain can speak)
- Start with group one and continue
- Group selects question and answers
- If the group cannot answer ... then the next group tries
- Highest scoring group gets a prize

2) Alternate Version

- This version was designed to make classroom management easier
- Teacher rolls dice to pick the first student...or pulls a name
- Student picks a question
- Each student writes and answers the question
- At the end score papers as a class ...winner gets a prize (The winner is the student with the most questions right)
- Students save notes as a study guide
