

EDUCATION

Focus on Early Childhood Education

The years before a child reaches kindergarten are among the most critical in his or her life to influence learning. President Obama is committed to providing the support that our youngest children need to prepare to succeed later in school.

Reform and Invest in K-12 Education

Mr President Obama will reform America's public schools to deliver a 21st Century education that will prepare all children for success in the new global workplace.

Restore America's Leadership in Higher Education

President Obama is committed to ensuring that America will regain its lost ground and have the highest proportion of students graduating from college in the world by 2020.

Logical:

Education is important to prepares us for future. In the working world it also it gives you a world view.

Ethical:

School should give equal opportunities for everyone.

Emotional:

Think about the future, We need to make school better so they approve in the future .
